Te Whatu Ora Waikato, does not hold documentation of a statement by the applicant explaining why the Communications guideline for aerial 1080 operations has not been complied with therefore this part of the request is refused pursuant to section 18(g) of the Official Information Act 1982 because the information requested is not held by Te Whatu Ora - Health New Zealand Waikato and we have no grounds for believing the information is held by another department.

The applicant has made a statement explaining why they have not consulted on the options for pest control. This is included on page 1 of the attached document "19_07_2021 MOE21 Moehau 2021 Communication Plan - DOC-6507603_Intro".
