RECOGNITION:

PERIOD:

Section 1: House Officer's Responsibilities

Area	Responsibilities
General	 Facilitate the management of inpatients commensurate with and appropriate to the house officer's skill level; Manage the assessment and admission of acute and elective patients under the care of his/her team. Undertake clinical responsibilities as directed by the Registrar or Consultant, also organise relevant investigations, ensure the results are followed up, sighted and electronically signed; Be responsible, under the supervision of the Registrar and/or Consultant, to review inpatients on a daily basis (with the exception of unrostered weekends); Maintain a high standard of communication with patients, patients' families and staff; Inform registrars/consultants of the status of patients especially if there is an unexpected event; Liaise with other staff members, departments, and General Practitioners in the management of in-patients; Communicate with patients and (as appropriate) their families about patients' illness and treatment Prepare required paperwork on Friday prior to known or likely weekend discharges. Attend handover, Team and departmental meetings as required.
Acute admitting	 Assess patients assigned by the admitting Registrar. Take a history, perform an examination then formulate and initiate a management plan in consultation with the Registrar or Consultant; Respond to referrals by other health professionals to assess and treat inpatients under the care of other medical teams or services as per the attached roster.
On-Duty	When On Duty, be at the recognised workplace for the purpose of carrying out house officer duties
Administration	 legible notes are written in patient charts on admission, daily on weekdays and whenever management changes are made, appropriate laboratory tests will be requested and results sighted and signed, on discharge, patients will receive a typed clinical summary with a prescription and follow-up appointment if so required, With the Registrar be responsible for writing the initial discharge summary for every patient, With the Registrar be responsible for writing death certificates, The House Officer may be requested, at the direction of the Clinical Director, General Medicine, to assist with operational research in order to enhance the performance of the General Medical Service. Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed."

Rehabilitation - HO v 12.2019

	 "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so Escalate any roster / MECA compliance issues to RMO Unit a.s.a.p. Submit claims for additional duties/call-backs/cross-cover by the end of the next pay cycle – claim forms submitted beyond this timeframe will still be processed, but will require patient labels for verification and they will take longer to process Give at least 6 weeks' notice of leave requests wherever possible
Behavioral	The Waikato DHBs <u>code of conduct</u> incorporates the State Services standards of integrity and conduct and sets expectations relating to behaviour in the workplace
Associated Documents	 Waikato DHB Specialty Referral Guidelines (5295) Waikato DHB Trauma Protocol (1538) Waikato DHB Electronic Results Acknowledgement: The responsibility of the Senior Medical Officer and the delegation of the responsibly to Resident Medical Officer (1452) Waikato DHB Clinical Records Management (0182) Waikato DHB Deceased (Care of) policy (0133) Waikato DHB Admission, Discharge and Transfer (1848)
